Owl's Pride Program

March 10, 2016

Dear Parents/Guardians:

As part of the District's gifted and talented Owl's Pride Program we are soliciting referrals from both teachers and parents for potential candidates for the 2016-2017 school year. Teachers will have the opportunity to identify students in their classes, but we also want parents to participate in this process.

The Owl's Pride Program is for students in grades 3-6. The students will have 86 minutes of pull-out instruction weekly with Mrs. McGuinness our district's gifted and talented teacher. The curriculum includes teaching critical and creative thinking skills, problem solving skills, research skills, and self-awareness skills. The students will be responsible for making up work they miss during their time out of the classroom.

Completing these forms does not insure acceptance into the Owl's Pride Program, but will provide important preliminary information about your child to the screening committee. In addition to information from parents and teachers, all nominated students will be given the InView and TerraNova 3 (Reading & Math). Permission must be granted for testing to occur.

As per the Owl's Pride Handbook, all children must have a minimum score of 15 on the screening summary in order for children to be accepted into the Owl's Pride Program. Evaluation and identification of accepted students for the 2016-2017 Owl's Pride Program should be completed by the end of the school year.

If you choose to complete Renzulli-Hartman Rating Scale & Permission For Testing, they need to be submitted by Tuesday, March 29, 2016 to Ellen McGuinness at your child's school. You can contact Mrs. McGuinness at [ellenmcguinness@parkridge.k12.nj.us](mailto:ellenmcguinness@parkridge.k12.nj.us) if you have any questions or need additional information.

Sincerely,

*Lisa Bernardo*
