Re: Summer Reading Assignment
Date: June 2016

Those students who are accepting the challenge of American Lit Honors must **READ TWO NOVELS** in total by the first week of school in September. You will be assessed on your reading, and the grades will count towards the first marking period. In addition, students are expected to **participate in GoogleDoc Discussions** (see below for directions).

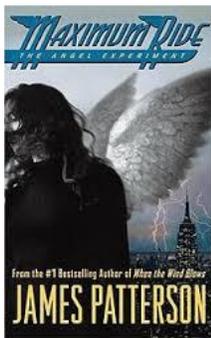

EVERYONE MUST READ: **1) *Of Beetles and Angels* by Mawi Asgedom (personal memoir)**
2) *Bean Trees* by Barbara Kingsolver (fiction)

If you are looking for additional recommendations for personal reading, consider the titles below. They are all wonderful reads!

***Delirium* (Lauren Oliver)**

Before scientists found the cure, people thought love was a good thing. They didn't understand that once love -- the deliria -- blooms in your blood, there is no escaping its hold. Things are different now. Scientists are able to eradicate love, and the government demands that all citizens receive the cure upon turning eighteen. Lena Holoway has always looked forward to the day when she'll be cured. A life without love is a life without pain: safe, measured, predictable, and happy. But with ninety-five days left until her treatment, Lena does the unthinkable: She falls in love.

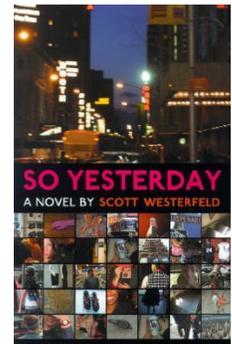

***Maximum Ride: The Angel Experiment* (James Patterson)**

After the mutant Erasers abduct the youngest member of their group, the "birdkids," who are the result of genetic experimentation, take off in pursuit and find themselves struggling to understand their own origins and purpose.

***So Yesterday* (Scott Westerfeld)**

Hunter Braque, a New York City teenager who is paid by corporations to spot what is "cool," combines his analytical skills with girlfriend Jen's creative talents to find a missing person and thwart a conspiracy directed at the heart of consumer culture.

***Sorta Like a Rockstar* (Quick)**

Although seventeen-year-old Amber Appleton is homeless, living in a school bus with her unfit mother, she is a relentless optimist who visits the elderly at a nursing home, teaches English to Korean Catholic women with the use of rhythm and blues music, and befriends a solitary Vietnam veteran and his dog, but eventually she experiences one burden more than she can bear and slips into a deep depression.

It is recommended that students give themselves enough time to read carefully. Students **MUST USE POST-ITS TO ANNOTATE.**
